Top 10 Revenue Contribution by Product

Key Findings

- Kaya Toast Set is the largest product, contributing 16.0% of total revenue.
- The top three products generate 44.4% of portfolio revenue, indicating a concentrated assortment.
- Chicken Chop and Spaghetti Carbonara combine strong revenue with high profitability, making them key value drivers.
- Teh Tarik generates the highest sales volume but contributes a smaller share of revenue, suggesting a traffic-driving role.
